November 15, 2016

Dear Friends at LBA,

The holidays are not only a time to gather with family and friends, but also a time to reflect upon our many blessings. This is our annual fundraising drive to support our Community Care Project during the months of November and December.

Because of your gifts, last year students in the AVID club at Elkhorn HS were able to carry out the mission to shop for Christmas gifts for kids from financially struggling families in the area. A tradition that LBA under the "Christmas Elves Toy Drive Banner" has done for about 20 years. They will be counting on our financial support this Christmas. The money you donate also goes to support other local charitable organizations such as Hope Now and the Twin Oaks Homeless Shelter.

Every dollar collected goes to help families in need, and is not used for administrative purposes. Any amount, large or small by check is appreciated. Please read last year's thank you letter from Mary Ellen Wright, Social Worker from the Elkhorn School District. I hope it inspires you to give generously to help our neighbors in need.

Please make your check payable to LBA Community Care Project, and mail it to the address listed above.

Thank you and have a wonderful Holiday Season!
