LEAD PAINT EDUCATION

For WI's Lead Safe Renovator Rule

In partnership with the Lakeland Builders Association, Testudo LLC will host an initial 8-hour class for WI's Lead Safe Renovator rule, which is also known as the EPA's Renovation, Repair & Painting (RRP) rule. This is state-required education for any contractor, landlord or property manager disturbing paint in homes built before 1978. In addition, any contractor who holds Wisconsin's Dwelling Contractor Qualifier license can receive eight continuing education credits for attending.

Location

Lakeland Builders Association
1560 N. Country Club Parkway
Elkhorn, WI 53121

When

Thursday,
May 19,
8 a.m.-5 p.m.

How to Register

www.TestudoOnline.com/classes
(608) 205-8025

WHAT CLIENTS SAY ABOUT LEARNING WITH TESTUDO:

- “Your training was just great. Concise, quick, well-organized and relevant!”
-Michael C., Madison
- “Samantha, [owner of Testudo and an LBA board member], did a great job answering all questions relevant to my industry. You can tell she is very passionate about educating Wisconsin residents about lead safety.” -Brandon N., Milwaukee
- “[Samantha] took the time to make sure each student understood the lead laws as it applied to our industry and answered any questions we had ... I would recommend this class to anyone in the remodeling industry or property management field.” -Eric P., Oregon, WI

Cost

Members: \$250

Pre-registration is highly recommended as attendance is capped by state of Wisconsin.
